ABOUT NIRMALA COLLEGE FOR WOMEN

Nirmala College for Women, Red Fields, Coimbatore, a Catholic Institution of Higher Education for Women, under the direction of the religious society of the Franciscan Sisters of the Presentation of Mary founded by Rev. Fr. Joseph Louis Ravel in the year 1948. The College became Autonomous in the year 2007. The College has now emerged as one of the premier institutions of learning, propagating higher values of education and learning, with hopes and dreams to achieve her goal "Knowledge Purifies, Charity Enhances". Our College is accredited with A++ grade by NAAC in the IV cycle with CGPA 3.78. The College in line with its goal imparts value- based education. The curriculum promotes national development by fostering global competencies and facilitating skills to meet the challenges of the contemporary world.

ABOUT GANDHIGRAM RURAL INSTITUTE (Deemed to be University), Dindigul Gandhigram Rural Institute (GRI), founded by two dedicated disciples and contemporaries of Mahatma Gandhi, Dr.G.Ramachandran and Dr.T.S.Soundaram Ramachandran, has as its foundation Mahatma Gandhi's revolutionary philosophy of Nai Talim, which effectively bridges the cognitive and practical dimensions, and focuses on the holistic development of learners, with an emphasis on skill development through value-based education, rooted in indigenous cultures and traditions. Since its establishment in 1956, GRI has been unstintingly contributing to higher education and has successfully pioneered rural higher education. Along with Gandhiji's Nai Talim, the ideals envisioned by Dr. Radhakrishnan Education Commission (1948-49), and in in National Council for Rural Higher Education headed by Dr. K. Shrimali, the then Deputy Minister, Ministry of Education, and three other proven world models listed below contributed to the establishment of GRI in 1956, namely

1. Folks Hoschkole system of Denmark by N.F. S. Gruntvig (1844)
2. Land-grant University system of USA (1862); and
3. Sriniketan Experiment of Shantiniketan by Tagore (1922)

The Institute which is administered by the Ministry of Education, Government of India and fully funded through UGC, New Delhi has developed academic programs in

rural development, rural economics and extension education, rural oriented sciences, co-operation, development administration, rural sociology, English, Tamil and Indian languages. The institute runs B.Tech. in civil engineering with focus on habitat development and M.Tech. in renewable energy. The institute also offers B.Sc Agriculture program. Gandhigram Rural Institute is quite active on both campus and rural areas in the vicinity, benefitting and enriching one another. Besides, its contribution to teaching, from diploma, degree and all the way to post-doctorate levels, the Institute applies the learnings from both scientific and social research to solve contemporary rural problems. The curriculum is a combination of theoretical, practical and extension experiments. The Institute has become home to many pioneering models of rural development programmes. The students and scholars who emerge from its portals tend to meet the personnel needs of rural development programmes under various governmental and non-governmental organizations. The three dimensional approach of education namely teaching, research and extension has become a highly celebrated model, earning global and nationwide appreciation. Started in a small way the Institute has evolved into a reasonably large and expansive educational complex comprising of 8 schools, 12 departments and 16 Centres offering a whopping 129 academic programs, ranging from certificate courses, to Graduate programmes to Doctoral and post-Doctoral Programmes. At present the Institute has 3837 students, including Ph.D. Scholars, and 178 teaching and 243 non-teaching staff. The curricular model developed at GRI organically integrating teaching, research and extension has earned the Institute, the status of Deemed University in 1976 by UGC, the five-star status by NAAC in 2002, 'A' Grade during the re-accreditation in 2010 by NAAC, 'A' Grade in its third cycle of reaccreditation in the year 2016 and 'A++' Grade in its fourth cycle of reaccreditation in the year 2025. Thus the Institute has been taking efforts to design its academic programs in tune with the demands of the society and industry by providing a learner-centric, transparent teaching and evaluation methods. Through the action-oriented research and scientific research, the Institute contributes substantially to the research domains and concentrates on solving the rural issues at micro levels. The participatory and decentralized governance of Gandhigram Rural Institute strives for achieving global standard of excellence in all the dimensions of education without compromising on its rural character and Gandhian values.
